**Detailed Itinerary:**

**Day 1 - Sunday**  
**Arrival in Ushuaia (-)**

Upon arrival, our collaborators offer a welcoming reception and will transfer you to the hotel. Overnight in Ushuaia.

**Day 2 - Monday**  
**Half Day National Park – Beagle Channel Navigation (B)**

Early departure to Tierra del Fuego National Park. This 63.000-hectare park, extending from the Beagle Channel in the south along the Chilean border to beyond Lago Fagnano in the north, has one of the most beautiful Sub-Antarctic forests of the world. Mostly green in summer, it turns to wonderful reds and browns in autumn, and it becomes completely snowed in winter. In a half-day tour, we shall pass Pipo River, the Panoramic Point, Roca Lake, Ovando River, Green Lagoon, Black Lagoon, ending at Lapataia Bay. In this beautiful National Park you can admire the extreme south Patagonian flora and fauna, as well as the very typical beaver's dam. Return to the hotel. Two hours Navigation through the Beagle Channel in the afternoon. Leaving from Ushuaia´s Port, we shall admire the Ushuaia Bay, the Beagle Channel, the Bridges Island, the Birds Island, the Seals Island and the "Les Eclaireures" lighthouse, an unforgettable experience. Overnight in Ushuaia.

**Day 3 - Tuesday**  
**El Calafate (B)**

At schedule time, transfer to the airport to take your flight to El Calafate. Upon arrival, reception and transfer to your hotel. Overnight in El Calafate.

**Day 4 - Wednesday**  
**Full Day Perito Moreno Glacier (B)**

---

Full day tour to Perito Moreno Glacier. After 2 hours drive by bus we arrive at Perito Moreno where, after a short walk, passengers can get the first view of the glacier, whose wall of about 100 meters height stands in front of them. This glacier is one of the few in the world still advancing. Overnight in El Calafate.

**Day 5 - Thursday**  
**Free Day (B)**

---

Day at leisure for personal activities. Overnight in El Calafate.

**Optional**  
**Full Day Upsala Onelli Glaciers Navigation (All Glaciers)**

---

Full day tour by catamaran to visit Upsala & Onelli Glaciers. Departing from Puerto Bandera, situated 47 Km. away from El Calafate, the catamaran sails among beautiful icebergs, reflecting different colors and forms. After two hours sailing, we shall arrive at Onelli Glacier with a magnificent view of the ice wall. From there, the boat continues to Onelli Bay where, after disembarking the passengers walk through the forest visiting the whole area.
