*You deserve the best.*

# YOU DESERVE THE BEST.

It's hard to grasp how much our world has changed in such a short time. While every new cruise year brings about changes, 2021 will be especially different. We have all been forever imprinted with memories of sheltering away from our friends and family, taking extraordinary measures to stay healthy and longing to return to the things we love—like travel. Experiences like this test our strength and our resilience.

Through it all, one thing hasn't changed—our passion for bringing you the best. Our guests are at the heart of everything we do. Our staff is committed to giving you an unparalleled travel experience, both onboard and onshore—one that is not only luxurious and memorable but also protects your health and safety while you are in our trusted hands.

As a family-owned, debt-free company, we're able to weather the most difficult of times without sacrificing our high standards. In the recent week's we have seen a huge shift of enquiries and bookings towards late 2021 and 2022 sailings, this shows that our customer's desire to travel is as strong as ever, if not stronger than before. We are seeing guests booking their cruises further out, specifically for long haul destinations in 2022; our guests want to tick off their bucket list destinations when it is safe to do so again.

We have always operated our cruises with stringent safety and sanitation protocols on each and every one of our ships, and we will continue to do so. Annually, our crew renews their health and safety training, a program that has resulted in an immaculate health and safety record. With the support of an outside consultant, we have enhanced our protocols to ensure we protect the health and safety of our guests—and we are committed to doing even more.

We are pushing forward and striving for continued excellence in 2021. I'm delighted to share three key highlights with you: with our Egypt itinerary more popular than ever, we have added a second ship on the Nile River; our highly coveted Peruvian Amazon itinerary will have additional dates for 2021 and 2022. As we continue our promise of having the best fleet of ships in the industry, 2021 will see the full inaugural season of four new Super Ships, sailing along the world's rivers and welcoming our guests on board for the first time. Something we are incredibly proud of and extremely excited for.

Looking further ahead, 2022 has plenty to be excited for; the launch of a brand new product, Dutch Delights showcases the full spectrum of Dutch life, landscapes and customs on visits to bustling cities and small rural villages. This magical country comes to life as 2022 sees the return of Floriade, a once-a-decade flower festival that is on top of any anthophile's bucket list, which of course Uniworld spend a day at when you choose to cruise with us. More details on Floriade to come soon.

We all believe in the power of travel to open borders, connect cultures and drive local economies.

This is only a moment in time, and we will push through and be better for it.

I am so thankful and humbled to be back on the rivers with you.

Warmest regards,

*Ellen Bettridge*

## What does luxury MEAN TO YOU

The word luxury means different things to different people. As you would expect with five-star hotels on land, there are different levels of luxury available to guests. As we see it, would you choose to stay in a chain hotel where you can find the same layout no matter where you are in the world, or would you choose to stay in a boutique luxury hotel offering an incredible new experience?

Uniwold are an incredibly unique river cruise line, we have taken our inspiration from our sister brand, the Red Carnation Hotel Collection (known as some of the finest hotels in the world), making us the only river cruise line to operate a collection of luxury hotels. This means luxury is deep-rooted in our DNA, and we pride ourselves on being known as the most luxurious river cruise line in the world.

## What is a LUXURY RIVER CRUISE?

A luxury river cruise offers an entirely new insight into the world, unpack only once and discover multiple destinations throughout your journey. Imagine yourself slowly making your way through great cities and countryside on board your award winning, floating luxury hotel. Unlike an ocean cruise where you may have multiple sea days, a river cruise allows you to make your way through the heart of countries, passing breath-taking scenery with every bend. Truly immerse yourself in local culture as our smaller ships allow you to dock in the very heart of the world's greatest cities, meaning you can be on shore quickly to discover the destination for yourself.

### DAY 1: AVIGNON (EMBARK)

On arrival to Avignon – Provence Airport you will be greeted by a Uniworld representative and transferred to the ship to begin your cruise.

### DAY 2: TARASCON (ARLES)

Explore a sun-drenched Provençal town today with an allure all its own. Known for its remarkable Roman ruins, Arles so inspired Van Gogh that he painted some 200 paintings there. Arles has existed since the sixth century BC, when the ancient Greeks founded it and named it Theline. It was here that the Romans built their first bridge across the Rhône River, creating a vital overland route between Italy and Spain.

*Featured Excursion: Arles walking tour.*

### DAY 3: AVIGNON

The walled city of Avignon is one of the most fascinating towns in southern France, with a host of historic gems to explore—including the fortress residence of rebellious popes who broke from Rome and once lived and ruled here. You'll see the Palace of the Popes and much more today, and also have a chance to kayak under a 2,000-year-old Roman aqueduct.

*Featured Excursions: Choice of Avignon walking tour with Palace of the Popes or Pont du Gard Roman Aqueduct visit or "Let's Go" kayak ride on the Gardon River\*.*

### DAY 4: VIVIERS

An enchanting village where time seems to have stopped centuries ago, Viviers has a long and storied past that goes back more than 1,600 years—and a splendid architectural heritage to match. At one time, Viviers was divided along religious lines—the clergy lived in the upper part of the town, the laity in the lower part. Your exploration of the town will take you through both parts, as you begin at the crest and make your way to the riverbank.

## France

*Featured Excursion: Intimate Viviers "Village Day."*

*Connoisseur Collection Highlight: "Connoisseur Collection" cruisers will delight in a truffle hunting experience, with a tour of the village of Grignan.*

### DAY 5: TOURNON (TAIN-L'HERMITAGE)

If you love fine wine, you'll love the twin villages of Tournon and Tain-l'Hermitage. Tournon may be a small town, but stirring events took place here: A castle was raised on the hilltop in the 10th century to protect the region, and new fortifications were added over the centuries, including two "new" towers built to defend against Protestant attacks in the 16th century.

*Featured Excursions: Choice of Tournon and Tain-l'Hermitage twin villages stroll with wine tasting or "Let's Go" Hermitage vineyards hike with wine tasting.*

*Connoisseur Collection Highlight: "Connoisseur Collection" guests will be treated to a Valrhona chocolate and wine-pairing on-board.*

### DAY 6: LYON

As the epicentre of French gastronomy, Lyon is a city of tantalizing contrasts. There's much to explore here, from the work of culinary visionaries to silk weavers' secret passageways. After your choice of excursions, embrace the locals' favourite mode of transportation with a bike ride—a great way to see the sights.

*Featured Excursions: Choice of Lyon capital gastronomy tour or "Let's Go" Lyon peninsula bike tour or Silk weavers walking tour.*

*Explore: If you're up for exploring on your own, we suggest a bike tour with a stop at the splendid Parc de la Tête d'or.*

### DAY 7: MÂCON (BEAUNE)\*\*

The pace of life is decidedly more relaxed in Burgundy, where endless rows of grapes hang heavy on the vine. The capital of the region's wine trade, Beaune, is renowned for its history, beauty and highly prized wine, as well as its medieval-era hospital—the Hospices de Beaune.

*Featured Excursions: Choice of Burgundy landscapes, Beaune and the Hospices or Mâcon walking tour.*

### DAY 8: LYON (DISEMBARK)

Disembark the ship and be transferred to the airport to begin your journey home.

Visit the hilltop Château de La Roche-Guyon, surrounded by beautiful gardens and offering sweeping views over the Seine. Later, you can visit the home and gardens of Claude Monet. Or take in the beautiful French countryside in a more invigorating way, with a guided bike ride from Vernon to Giverny\*.

From the cathedral Monet painted dozens of times to the cross marking the spot where Joan of Arc was martyred, Rouen is a treasure trove for the culturally curious.
